"Strawberry"

To say that you are cute,
Would be like saying a strawberry is sweet,
'Cause a strawberry has secret flavors that are sharp,
and tart, and red, and deep,
And I would love to find you growing wild out by the
woods,
I would make a basket with the front of my t-shirt,
And take home as many of you as I could,
And to say that you are pretty,
Would be like saying that the ocean is blue,
Cause the ocean is full of all kinds of colors,
And I see all kinds of things when I look at you,
And I want to explore you
With my tenni shoes off
Standing ankle deep in a tide pool,
With my khaki pants rolled up,
And to say that you are funny would be like saying that
the night sky is black,
Cause the night sky is filled with stars and comets and
planets that no one has seen yet,
And I want to look at you,
Lying down on my front lawn,
I'll try to take you all in at once, but you just go on and
on and on
