Always and Forever
Each moment with you
Is just like a dream to me
That somehow came true

And I know tomorrow
Will still be the same
Cause we've got a life of love
That won't ever change and

Every day
Love me your own special way
Melt all my heart away
With a smile

Take time to tell me
You really care
And we'll share tomorrow together
I'll always love you forever

There will always be sunshine
When I look at you
It's something I can't explain
Just the things that you do

And if you get lonely
Phone me and take
A second to give to me
That magic you make and

Every day
Love me your own special way
Melt all my heart away
With a smile

Take time to tell me
You really care
And we'll share tomorrow together
I'll always love you forever
