"Everybody needs a little time away," I heard her say,
"from each other."

"Even lover's need a holiday far away from each
other."

Hold me now.

It's hard for me to say I'm sorry.

I just want you to stay.

After all that we've been through,
I will make it up to you. I promise to.
And after all that's been said and done,
You're just the part of me I can't let go.

Couldn't stand to be kept away just for the day from
your body.
Wouldn't wanna be swept away, far away from the one
that I love.
Hold me now.
It's hard for me to say I'm sorry.
I just want you to know.
Hold me now.
I really want to tell you I'm sorry.
I could never let you go.

After all that we've been through,
I will make it up to you. I promise to.
And after all that's been said and done,
You're just the part of me I can't let go.

After all that we've been through,
I will make it up to you. I promise to.

You're gonna be the lucky one.
