Cryin' on my pillow, lonely in my bed
Then I heard a voice beside me, and she softly said
Wonder is your night light, magic is your dream
And as I held her, she said, see what I mean

I said what? she said oo-oo-oo wee
I said alright? she said, love me, love me love me

Undercover angel, midnight fantasy
I've never had a dream that made sweet love to me
Undercover angel, answer to my prayer
You made me know that there's a love for me
Out there, somewhere
Yeah somewhere

Heavenly surrender, sweet afterglow
Given up my heart to you, now angel don't go
She said, go find the right one, love her and then
When you look into her eyes, you'll see me again

I said what? she said oo-oo-oo wee
I said alright? she said, love me, love me love me

Undercover angel, midnight fantasy
I've never had a dream that made sweet love to me
Undercover angel, answer to my prayer
You made me know that there's a love for me
Out there, somewhere
Woh Somewhere

Now you know my story, and girl if it's right
I'm gonna take you in my arms and love you tonight
Underneath the covers, the answer lies
I'm lookin' for my angel in your sweet lovin' eyes

She said what? I said oo-oo-oo wee
She Said alright? I said, lay next to me
She said what? I said oo-oo-oo wee
She said alright? she said, love me, love me love me

Undercover angel, midnight fantasy
I've never had a dream that made sweet love to me

Undercover angel, answer to my prayer
You made me know that there's a love for me

Love Me, love me love me

Undercover angel, midnight fantasy
I've never had a dream that made sweet love to me
Undercover angel, answer to my prayer
You made me know that there's a love for me
