I say cheaters have no hearts but I cheated on the one  
that I loved for life  
I say tattoos are turn offs but look at my arms and look  
at the mess on them

I don't want a girl with problems, even though we'd be  
a perfect match  
Oh how do I get what I want, when I don't know what it is

I don't like bending down to kiss but when would I find  
someone taller than me  
If I did well I'd run to the hills 'cause she'd look f\*cking  
scary

And I don't want a girl who won't trust me, even though  
we'd be a perfect match  
It's your loss if you want to love me, but your friends  
will think you're much better than that  
Oh how do I get what I want, when I don't know what it is
