Is this the kind of love you want
Is this the kind of love you want
You kick me
You kick me
You kick me

You get your guns out once again
You try to tell me I'm the hunter
And you could never be my friend
Only a lover
Only a lover

Words that I wasted
You just didn't hear them at all

CHORUS

You wanna hear it from the heart
Take it away
It's time you took it on the other shoulder
Take it away
You wanna hear it from the heart
We can't go back again

Is this the kind of love you want
And now you tie me to the tree
Are these the bonds of your affection
Is this the love you want from me
I try to get free I try to get free
Words that I wasted
You just didn't hear them at all

CHORUS

This is the last time I'm gonna tell you
I'm movin' out I'm packin' up I'm takin' everything
I've had enough of your crazy love so don't you try to
Ring
Words that I wasted
You just didn't hear them at all

CHORUS
