I hate the police
I hate the government too
I hate the IRS and the DOJ
And yes I hate, the TSA

I hate the bankers
I hate The federal Reserve
I hate Ben Bernanke and Timothy Geithner
Someday they'll get what they deserve

I hate everything and everyone
I hate the Holy Ghost and The Prodigal Son
I hate Hare Krishna and The Buddhist's faith
But now let me tell what I really hate

I hate you
I hate you yes I do
I hate you
I hate you Yes I do

I hate the Muslims
But I hate the Christians too
I hate the Methodists and Baptists, the Lutherans and
Catholics
I hate the Mormons and the Jews

I hate black people
But I hate white people too
I hate Chinese and Russians, Egyptians and Prussians
Yes hate Iranians too

I hate everything and I hate everyone
I hate the words that we use, that defines someone
I hate George Soros, I hate Bill Gates
But now let me tell what I really hate

I hate the voting system
Because politicians suck
Republicans and Democrats and tea party candidates
It's all the same to me

I hate the CPS

I hate the CIA
I hate the DOD
I hate COP's
I hate the ONI and The DEA
But now let me tell what I really hate

I hate everything and everyone
I hate nafta and opec and I hate exxon
I hate liver and onions and the chips they call Funyuns
But now let me tell what I really hate

I hate you
I hate you yes I do
I hate you
I hate you Yes I do
I hate you
I hate you yes I do
I hate you
I hate you Yes I do
