I look in the mirror
I Don't see much
Fashion sense a little out of touch
The house is run down as the bills pile up
But I'm rich man

Breakfast table
Morning rush
Sometimes it seems we barely have enough
But if it's true that all you need is love
Then I'm a rich man

When she smiles
Or they call me daddy
All the worries of the world just seem to fade away
I'm alive
And I know what matters
If this is all I ever have well that's ok,
Cause I'm a rich man

So every morning
And brand new day
With each and every single breath I take
I'm blessed and I'm thankful, yeah I've got it made
Oh, I'm so glad life turned out this way

When she smiles
Or they call me daddy
All the worries of the world just seem to fade away
I'm alive
And I know what matters
If this is all I ever have well that's ok,
I've loved, I've been loved, show me someone else with
as much as me
When she smiles
Or they call me daddy
All the worries of the world just seem to fade away
I'm alive
And I know what matters, if this is all i ever have well
thats okay
i'm proud to say
i'm a rich man

i'm a rich rich man

i'm a rich man
ohh i'm a rich man
i've got it made

ohhh i'm alive
