If the river is high, I'll be your shore
If it's love you need, I'll give you more
You can count on me, baby, that's for sure
I belong to you

If you cross the line, I'll cross it too
Anywhere you go, I'll be with you
We'll cry some tears, but we'll make it through
As long as we're together

Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and will ever be
Take it from me, take it from me
Take everything

I'll give you all that you can take
I made a promise, it will never break
You've got my heart, make no mistake
Just take it from me

Everything in my heart I'll give you
Everything in my soul, it's yours
Everything that I am and will ever be
Take it from me

Everything in my heart, I'll give you
Everything in my soul, it's yours
Everything that I am and will ever be
Won't you take it from me

Everything in my heart, I'll give you
Everything in my soul, it's yours
Everything that I am and will ever be
Take it from me, take it from me
Take everything

Won't you take it from me
(Everything in my heart)
Just take it from me
(Everything in my soul)

Won't you take it from me
(Everything that I am)
Just take it from me

Won't you take it from me
(Everything in my heart)
Just take it from me
(Everything in my soul)
