I've got a thing, a sorta mild fascination  
A little daydream about a hot lookin', hard workin',  
chiseled hunk of temptation  
All right, I must tell it's more like a not so innocent  
obsession  
I see a rough, rugged, all-day-muscles-achin', needs a  
little love makin'  
Girls, you know what I'm sayin'

I like a real man  
Who likes to use his hands  
Knows how to get it done  
Knows when I'm ready  
Blame it on hormones or pheromones,  
But like a fine gelone, man turns me on  
When he gets sweaty  
You might like 'em all cleaned up and pretty  
I like my cowboys dirty

Ain't talkin' wedding  
Ain't talkin' honeymoonin' down in the Bahamas  
I see him bustin' through the door, next thing you know,  
we're on the kitchen floor  
Doing things I can't tell my mama

I like a real man  
Who likes to use his hands  
Knows how to get it done  
Knows when I'm ready  
Blame it on hormones or pheromones,  
But like a fine gelone, man turns me on  
When he gets sweaty  
You might like 'em all cleaned up and pretty  
I like my cowboys dirty

I like a real man  
Who likes to use his hands  
Knows how to get it done  
Knows when I'm ready

Blame it on hormones or pheromones,  
But like a fine gelone, man, it turns me on  
When he gets sweaty  
You might like 'em all cleaned up and pretty  
I like my cowboys dirty

Yes, I do  
I like my cowboys (I like my cowboys)  
How 'bout you (I like my cowboys)
