(Stay) Stay, baby
(Stay) Come on darling now
(Stay) You know I want you back
(Stay with me tonight)
(Stay) Come on, won't you stay
(Stay) hey yeah
(Stay with me)

It seems I have the strangest dream
I'm dreaming that you're gonna leave me
I wake up and I find it's true
What will I do without you?

I don't know, I don't know
Just what it takes to get to you
I don't know, I don't know
Baby I'll be true if only you...

(Stay) Baby though I made you cry
(Stay) Baby don't you say good bye
(Stay) Baby look me in my eyes
(Stay with me tonight) Come on baby
Baby though I made you cry
(Stay) Baby don't you say good bye
(Stay) Won't you stay
(Stay with me)

They say that love will come and go
But your love's indispensable to me
I really wanna be with you

What are we gonna do, boy

I don't know, I don't know
Just what it takes to get to you
I don't know, I don't know
Baby I'll be true if only you...

(Stay) Baby though I made you cry
(Stay) Baby don't you say good bye
(Stay) Baby look me in my eye
(Stay with me tonight)

(Stay) Even though I told you lies
(Stay) Baby give me one more try, ohh
(Stay with me)

Come on baby
Won't you, won't you, won't you stay
Why don't you stay
Why don't you stay...
Come on, come on, come on and stay
Come on, come on, come on and stay
Ooh, ooh, ooh,
I want you to stay

(Stay) Baby though I made you cry
(Stay) Baby don't you say good bye
(Stay with me tonight) Come on baby
(Stay) Made you cry
(Stay) You don't have to say good-bye
(Stay with me) Stay
