"Dead City Jam"

as the week ends
all the lifeless begin to break their shells
it's time to wipe off the dust
so tonight waiting in line is worth waiting

there is a heaven
under the shining mirror ball
and no one's gonna leave
before the last calls

so run and run
as fast as you can
to see the dead city jam

so run and run
as fast as you can
to see the dead city jam

as the week ends
all the lifeless begin to break their shells
we're gonna go to a party
and have a really good time
(oh, yes we will)

now every block is so vivid
but the sunday sun is enough
is enough to kill it

so run and run
as fast as you can
to see the dead city jam

so run and run
as fast as you can
to feel the dead city jam

can you feel it?
can you feel it?
can you feel it?

so run and run

as fast as you can
to see the dead city jam
