"This Town"

you know my mind
could radiate
but these blocks and alleys
they won't give me space

i can't afford to waste no time
i can't afford

you know this place
can suffocate
but i will shout
til i'm blue in the face

i can't afford to waste no time
i can't afford

honestly
this town is getting small for me
i gotta leave before
there is nothing to explore

you know my mind
could radiate
but these blocks and alleys
they won't give me space

i can't afford to waste no time
i can't afford

i'll say the least
my apologies
cause the world outside
is waiting there for me

i can't afford to waste no time
i can't afford

honestly
this town is getting small for me
i gotta leave before
there is nothing to explore

i bid my farewell

honestly
this town is getting small for me
i gotta leave before
there is nothing to explore
