Hells messenger He has come to call on you  
At night he comes a criminal insane  
Shadows move from the tomb  
The hands of evil around you  
Screams from the night  
No one is safe

Pre-chorus

Stalking down the prey by moonlight  
A Madman in a rage  
Hell isn't far away  
Chorus  
Nightstalker  
Nightstalker

Justice from his gun  
He's ust a bad dream on the run  
Tonight high in the hills

A twisted mind will play  
An the law hunts down the demon to try and put him in  
a  
Cage  
Headlines say, nightstalker strikes again

Blackness fades well into his eyes

No one is left alive
