Your blue eyes.  
Your almost perfect smile.  
Like the sunshine on a warm day.  
Let me call you today.  
Your mind so bright.  
I see your burning light.  
Your burning light

You were born at the end of the summer.  
With you my life is so much finer.  
Like gold in a box of silver.  
Lets just say its so much better.  
So much better, much better.  
Better now.

Your blue eyes.  
That picture perfect smile.  
Making me feel so warm inside.

Youre mind so bright.  
I see your burning light.  
I see your burning light.

You were born at the end of the summer.  
With you my life is so much finer.  
Like gold in a box of silver.  
Lets just say its so much better.  
So much better, better now.

You told me not to care  
But I wont listen.  
You told me that Im perfect.  
You're eyes they glisten..

You told me not to care,  
Im not worth it.  
I wont listen,  
Im too far from perfect.  
Too far away.

You were born at the end of the summer.  
With you my life is so much finer.

Like gold in a box of silver.  
Lets just say its so much better.

You were born at the end of the summer.  
With you my life is so much finer.  
Like gold in a box of silver.  
Lets just say its so much better.  
So much better
