"Let It Burn"

Let it burn to the ground,
Let it not make a sound.
Let it sink into our minds.

Let it burn away,
Let it be this way.
Let it tonight stay.

Let it lift to the sky,
And let them ask why.
Let it burn into our hearts.

Let it drift away,
But tonight make me stay.
Let it burn away.

Let it lift to the sky.
And let them ask why.
Let it burn,
Let it burn,
Let it burn.
Let it burn to the ground.
Let it not make a sound
Let it burn,
Let it burn,
Let it burn.

Let it burn to the ground.
Let it not make a sound
Let it lift to the sky.
And let them ask why.

Let it burn into our hearts
Let it sink into our minds.
Let it burn, burn away.
But tonight, let me stay.
Tonight let me stay, hey.
