So I got thousands, on top on thousands
Off in my trousers, you wailing, my money piling
Check my medallion, Iâ'm styling, my foreign prowling
Iâ'm in that stallion, that rari, sound like a harley
Iâ'm juggin mollies
You tiry, into your hobby, itâ's calamari,
Like plaza, Iâ'm in that mazda, checkin them rasters
My diamonds vvs is all hd, I blow it let top down thatâ's
a hp
Now the half play itâ's a hunned pounds
Yâ'all niggas fuck you over board, we fuck around
If these niggas come round flexin they wonâ't flex
again
Made a grip of robbin doep boys, in this mess

Sell the same brick back 6 times
Sell the worst and the best switch 9â's
Quarter million dollars off in 6 5
Flex the whole check on that bad bitch
I can teach you niggas finesse,
I can teach you niggas finesse,
I can teach you niggas finesse,
Boy the whole check get flexed

Gucci Mane Iâ'm a motherfucking headliner
Tryina crown my hundred bricks and a pound found me
2 birds, 2 pounds, thatâ's my damn rider
If she a ugly bitch then Gucci canâ't stand by
And like a gold digger canâ't stand broke niggas
And Iâ'ma shoot her bur I still snitch the dope nigga
Medusa head on my glass and all raybans
And Iâ'm the dope manâ's dope manâ's dope man

Sell the same brick back 6 times
Sell the worst and the best switch 9â's
Quarter million dollars off in 6 5
Flex the whole check on that bad bitch
I can teach you niggas finesse,
I can teach you niggas finesse,
I can teach you niggas finesse,
Boy the whole check get flexed
You wailing, my money piling

Check my medallion,
And like a gold digger can't stand broke niggas
You wailing, my money piling
Check my medallion,
You wailing, my money piling
Check my medallion,
And like a gold digger can't stand broke niggas
