Ya!
Yeah

Aay, shorty.
I'll come real quick.

You're so sweet
Stranger, a stranger

Candy from a stranger

Excuse me mama you're sick
Sweeter than a Hershey Kiss
Come, be my desert in this
I put my spoon in your dip
Oooh!
We got one night only
Hope you brought some jolly ranchers for me
Then she told me

I don't even know you

But here, I got a snicker for you, here!

What you do to me, I just can't believe
Oh, you're tempting me
You're so sweet

It's been too long
Oh, it feels so wrong
Danger, danger, candy from a stranger

You don't need to sugar coat it
I got it, and you know it
All of the pieces with it
My mom told me

Candy from strangers
Candy from strangers
Candy from a stranger

Shorty, have a bite

I will fill your appetite
I know your mom said not to
But, I'll change your life after tonight
Bet you never tried it, and I guarantee you'll like it
And I know you can't resist it,
So don't fight it, don't fight
Come give it to me

What you do to me, I just can't believe
Oh, you're tempting me
Oh oh coz you're so sweet
It's been too long
Oh, it feels so wrong
Danger, Danger, candy from a stranger

You don't need to sugar coat it
I got it, and you know it
All of the pieces with it
Oh my showed me

Candy from strangers
Candy from strangers
Candy from a stranger

A stranger
Don't need so
A stranger
Just like that
A stranger

Don't be scared, don't be scared, no
A stranger
Do be so
A stranger
Like that
A stranger
Don't be scared, don't be scared
Mama used to tell me
Don't take candy from a stranger
But girl, you look so sweet
You got me reaching with my fingers
She said don't take candy from a stranger
Candy from a stranger, candy from a stranger,
stranger

What you do to me,
I just can't believe.
Oh, you're tempting me
Oh oh coz you're so sweet.

It's been too long.

Oh, it feels so wrong.
Danger, Danger, candy from a stranger

You don't need to sugar coat it
I got it, and you know it
All of the pieces with it

My mom told me
Don't take Candy from strangers
