Burning desire for your 0:00:34
Only one thing that is there you all you know tonight.
Fire you are so hot, hot, hot.
Coming for you baby ready or not.
I too can wait to get you alone come on baby
I want to take you 0:00:56.

Fill me up, baby to the star
Or to fill me up 0:01:03
You know 0:01:12 man said on you.
So many things that you dark do.
Just stay you want me and we can go come on baby,
want to take control.

Look and do the tough, tough
I now will stay baby, just don't 0:01:31.
Just give a love to the heating 0:01:35 let's go crazy.
You want to show me you can fill me up.
Oh baby too the star
Or to fill me up 0:01:45
