I Feel a Spin!

Yeah!

I Feel a Spin!

Yeah!

Ooh, Jesus I feel a spin

Turning me round and round

Taking me out of town

Ooh, Jesus I feel a spin

Messing with my head round and round

Making my madness drown

I'm getting dizzy from all this pressure, I must

Hold out for pleasure

A space to move and some music to make

Me move in motion

Playing my favorite song on the radio lalalala

And my Hips over me, oh, Jesus, Jesus and it feels fine

that's why they call

Me a circular girl cause I fit just right

Ooh, Jesus I feel a spin

Taking me round and round

Throwing me out of bounds

Ooh, Jesus I feel a spin

Throwing me around

Driving me out of town

Yeah!

I feel a spin

Yeah!

Yell it

Oh... ! I feel a spin

Yeah... yeah...

Ooo...

Hold it now

Uh... Yeah!

I feel a spin

So filled with high engery, I'm about to sink

Ohh... no body, but me feels fine

Jesus, praising you makes me leap for joy

(Repeat until end)  
I'm getting dizzy from all this pressure, I must  
Hold out for pleasure  
A space to move and some music to make  
Me move in motion  
Playing my favorite song on the radio lalalala  
And my Hips over me, oh, Jesus, Jesus and it feels fine  
that's why they call  
Me a circular girl cause I fit just right
