Stronger Than Steel

So many years you've been the sun...
Stronger than steel.

Verse 1

So many years you've been the sun.
Forever shining on me and everyone.
So many years and I've never dreamed.
One day you might need a light for me.

Bridge

Hearts can be broken but I know,
Steel's the bond that I have inside for you.
Hearts can be broken but I know,
Together this love can see us through.

Chorus

Lord Our love is higher than the mountains
Stronger than steel
Forever isn't long enough, to show you how I feel
Our love is deeper than the ocean
Stronger than steel
Forever isn't long enough, to show you how I feel

Verse 2

So many years I've missed the signs.
So many years I've walked through darkness deep
inside.
I never told you you saved me then.
Now this love will make you shine again.

Bridge

Hearts can be broken but I know,
Steel's the bond that I have inside for you.
Hearts can be broken but I know,
Together this love can see us through.

Chorus

Lord Our love is higher than the mountains

Stronger than steel

Forever isn't long enough, to show you how I feel

Our love is deeper than the ocean

Stronger than steel

Forever isn't long enough, to show you how I feel

Chorus

Lord Our love is higher than the mountains

Stronger than steel

Forever isn't long enough, to show you how I feel

Our love is deeper than the ocean

Stronger than steel

Forever isn't long enough, to show you how I feel

For you...hey hey hey.

For you...for you...for you....for you...for you...for you...

When you need someone On...when you need someone
