I like your toxicated mind
Not afraid to cross the line
Colourful dots
Toxicated mind

Ch:1
Intoxicated, I'm addicted
Feet are losing ground
Intoxicated, I'm attracted
Turn me inside out
Intoxicated, I'm devoted
When you touch my soul
Intoxicated, now I know that
I'm burning for your love
I can never get enough, intoxicated

I wouldn't like to dedicate a whole line
To your toxicated mind
Teasing me with
Your colourful eyes

Ch:2
Intoxicated, I'm addicted
Feet are losing ground
Intoxicated, I'm attracted
Turn me inside out
Intoxicated, I'm devoted
When you touch my soul
Intoxicated, now I know that
I'm burning for your love
I can never get enough, intoxicated

I like your toxicated mind

Not afraid to cross the line
Colourful dots
Toxicated mind

I wouldn't like to dedicate a whole line
To your toxicated mind
Teasing me with
Your colourful eyes

Intoxicated, I'm addicted
(Don't you know, don't you know, don't you know)
Intoxicated, I'm attracted
Intoxicated, I'm devoted
When you touch my soul
Intoxicated, now I know that
Burning for your love

Lord Shower me with your love
You know what I want
No, I can't get enough, take my heart
I'm addicted to your love

Intoxicated, I'm addicted
(No, I'm addicted to your love)
Intoxicated, I'm attracted
Intoxicated, I'm devoted
(Devoted to your love)
Intoxicated, now I know that

Intoxicated, I'm addicted
(No, you got me burning for your love)
Intoxicated, I'm attracted
(Don't you know, don't you know, don't you know)

Intoxicated, I'm devoted
When you touch my soul
Intoxicated, now I know that
I'm burning for your love
