I'd like to thank you all my friends for coming here
today
It's a testement to our friendship and I'd really love to
stay
But now at last the time is near, the sun is fadin' low
I hope to see you soon again, but now it's time to go
Now it's time to go [clap]
Now it's time to go [clap, clap]
I hope to see you soon my friends
But now it's time to go! [clap]

Dear Bagginses n'Boffins, Chubbs n'Grubbs,
Burrowses and Took
Bracegirdles, Bolgers, Goodbodies, Hornblowers
Brockhouses n'Proudfoots[Proudfet!]
And a humble thanks to those I missed, my intent is not
to do so
For your friendship is a blessed thing, but now it's time
to go
Now it's time to go [clap]
Now it's time to go [clap, clap]
Your friendship is a blessed thing
But now it's time to go! [clap]

On the twenty-second of September, I'll always
recollect
And Frodo, too, with all of you makes a Gross of my
select
Hobbits and friends [And Gandalf, too!] with a
wonderful fireworks show
One last regret I'll share with you is now it's time to go
Now it's time to go [clap]
Now it's time to go [clap, clap]
One last regret I'll share with you
Is now it's time to go! [clap]
Now it's time to go [clap]
Now it's time to go [clap, clap]
I hope to see you soon my friends
But now it's time to go! [clap]
