Maybe you could be the one for me
We could drink booze, or tea and
Get down on your settee

I've been thinking you're wrong,
I think that you're wrong,
But I'd like to try
I've been thinking you're wrong,
I think that you're wrong,
But I'd like to try

So get off and get on with me
And let go of your decency
And take your dog for a walk and
Take a walk by the sea

I've been thinking you're wrong,
I think that you're wrong,
But I'd like to try
I've been thinking you're wrong,
I think that you're wrong,
But I'd like to try

To saddle up the lame horse again
I'm tired of the money and the time I've spent
I've said every single word I meant
When I'm having fun I don't have to pretend

I tried to walk the line but the line is bent
I tried to keep in touch but the time just went
Now I think I'm ready to write again
So I'll get ready to write again

Mimi, you could be the one for me
We could drink booze, or tea and
Eat cake on your settee

I've been thinking you're wrong,
I think that you're wrong,
But I'd like to try
I think that you're wrong
I think that you're wrong

But I'd like to try
I think that you're wrong
I think that you're wrong
But I'd like to try
I think that you're wrong
I think that you're wrong
But I'd like to try
I think that you're wrong
I think that you're wrong
But I'd like to try
