Blues with a feeling
that's what i have today
blues with a feeling
that's what i have today
I've got to find my baby
if it takes all night and day

What a lonesome feeling
when you buy yourself
What a lonesome feeling
When you buy yourself
Yes the one that loved me
has gone off with someone else

you know i love you baby
wonder the reason why
gonna left me baby, left be here to cry

Blues with a feeling
that's what i have today
I've got to find my baby
if it takes all night and day

What a lonesome feeling
when you buy yourself
What a lonesome feeling
When you buy yourself
Yes the one that loved me
has gone off with someone else

Well you know i love you baby
wonder the reason why
Gonna left me baby, left me here to cry
Blues with a feeling
That's what i have today
I've got to find my baby
if it takes all night and day
