Lay awake at night
For some loving untroubled
I can't keep a job
Laid off and I'm having double trouble

But hey hey, to make it you've got to try
Baby, believe me that ain't no lie
Yeah, because some of this generation has millionaires
And I can't even keep decent clothes to wear

Laughed at me walking
And I had nowhere to go
Bad luck and trouble has taken me
I have no money to show

But hey hey, to make it you've got to try
Baby, believe me that ain't no lie
Yeah, it's because some of this generation is
millionaires
And I can't even keep decent clothes to wear
