Good morning little schoolgirl
Good morning little schoolgirl
Can I come home girl
Can I come home with you
Tell your mama and your papa
I'm a little schoolboy too

Gonna buy me an aeroplane
Gonna buy me an aeroplane
Gonna fly all over
Gonna fly all over this world
I'm gonna find my little schoolgirl
She's in this world somewhere

Harp break solo

Come here little schoolgirl
Come here little schoolgirl
Gonna buy you a diamond
Gonna buy you a diamond ring
If you don't come here little schoolgirl
Ain't gonna buy you a dog gone thing

Good morning little schoolgirl
Good morning little schoolgirl
Can I come home girl
Can I come home with you
Tell your mama and your papa
I'M A LITTLE SCHOOLBOY TOO
