Shelia: Why can't I ever mess up in my life?  
Jamie: I'm always called the perfect girl in school  
Andi: I'm popular but don't get the respect  
Shelia: Everywhere I go it's the same old name  
Jamie: "Here goes Miss Perfect" they shout at me  
Andi: It makes me so mad I wanna scream

Chorus (Everyone)  
Why am I the perfect girl, girlfriend, student,  
and singer? Why am I so perfect?

Jamie: I'm really not that perfect I don't have  
a lot of things you guys do  
Andi: You can even ask my friends and family  
Shelia: I'm never gonna let myself seem so  
perfect again

Chorus (Everyone)  
Why am I the perfect girl, girlfriend, student,  
and singer? Why am I so perfect?

Jamie: Why why am I so perfect?  
Shelia: Why why am I so perfect?

Everyone  
It's the power of the broken heart but the  
beat goes on
