I'm calling your bluff, I know what you're trying to say to me  
You want it too, but don't wanna make the first move  
I've done this before, I've read in the score  
And let's be real, this isn't some lovesick fairytale  
Not gonna run and leave you, we're slipping behind  
It's not enough, so I say to you

[Chorus]  
I've heard enough  
I'm heading out the door tonight  
I'm picking up the girls, yeah  
Under the bright lights  
'Til we can dance no more  
Here we go  
'Til we can dance no more

Oh, oh, oh, oh  
Oh, oh, oh, oh  
'Til we can dance no more  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
'Til we can dance no more

You know what to do, it's not like it's new, we've been here  
Playing the fool never looked good on you  
We've done this before, let's start keeping score  
You win or you lose, but it's how you choose to be here  
Make up your mind, I'm running out of time  
It's not enough, so I say to you

[Chorus]  
I've heard enough  
I'm heading out the door tonight  
I'm picking up the girls, yeah  
Under the bright lights  
'Til we can dance no more  
Here we go  
'Til we can dance no more

Oh, oh, oh, oh  
Oh, oh, oh, oh  
'Til we can dance no more  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
'Til we can dance no more

Say to you  
I wanna say to you  
Say to you  
I wanna say to you  
What can I say to you

Say to you  
I wanna say to you  
Say to you  
I wanna say to you  
What can I say to you

[Chorus]  
I've heard enough  
I'm heading out the door tonight  
I'm picking up the girls, yeah  
Under the bright lights  
'Til we can dance no more  
Here we go  
'Til we can dance no more

[Chorus]  
I've heard enough  
I'm heading out the door tonight  
I'm picking up the girls, yeah  
Under the bright lights  
'Til we can dance no more  
Here we go  
'Til we can dance no more

Oh, oh, oh, oh  
Oh, oh, oh, oh  
'Til we can dance no more  
Oh, oh, oh, oh  
Oh, oh, oh, oh
