Cab fare to nowhere is what you are
A white line to an exit sign is what you are
Oh but I saw in you, now I see through
Don't shed a tear for me, my life won't end without you
Long as the night will be, the sun will rise without you
A locked door on a candy store is what you are
A slim chance in tight pants is what you are
All that I loved you for, I want it more
Don't shed a tear for me, my life won't end without you
Long as the night will be, the sun will rise without you
You are giving what I'm not taking
I'm not missing what we ain't making
Oh but I saw in you, now I see through
Don't shed a tear for me, my life won't end without you
Long as the night will be, the sun will rise without you
Don't shed a tear for me, my life won't end without you
Long as the night will be, the sun will rise without you
Don't shed no tears,
I don't need a thing.
