I want to know how does it feel  
Behind those eyes of blue  
You've made your mistakes and now your heart aches  
Behind those eyes of blue, oh yeah

People may say you've had your chance  
And let it slip away  
But hard as they try there's a dream that won't die  
Behind those eyes of blue

Maybe once in a while there's a trace of a smile  
Behind those eyes of blue  
But it's painfully clear there's a river of tears  
Behind those eyes of blue  
Oh behind those eyes  
Behind those eyes of blue  
Behind those eyes

You know life is too short for compromising  
Take a hold of your dream and realize it

Oh you know there's nothing left to stand in your way  
Except yourself and I know  
Though your hearts full of pain that a hope still remains  
Behind those eyes of blue  
And oh behind those eyes  
That keep lookin' in, I wanna know  
Behind those eyes of blue

People may say, people may say  
Behind those eyes of blue  
Behind those eyes of blue  
Behind those, those eyes
