Looking back  
over my shoulders  
i can see  
that look in your eyes  
i never dreamed  
it could be over  
i never wanted  
to say goodbye

looking back  
over my shoulder  
with an aching  
deep in my heart  
.....  
....  
always let it drifting  
so far apart

everybody told me you will leave me  
funny i should be the last to know  
baby please tell me that i'm dreaming  
i just never want to let you go

looking back  
over my shoulder  
i can see  
that look in your eyes  
telling my ....  
over and over  
i never wanted  
to say goodbye

i don't mind everybody laughing  
but it's enough to make an old man cry  
cause i can feel you slipping through my fingers  
i don't even know the reason why

everyday  
..... battels  
and just a smile  
to hold my head up high  
could it be

if we belong together  
baby won't you give me one more try

looking back  
over my shoulders  
i can see  
that look in your eyes  
i never dreamed  
it could be over  
well i never wanted  
to say goodbye
