When my little girl is smiling
There's nothing more I can say
I see those big brown eyes
And then I realise
That girl is gonna get her way

When my little girl is smiling
I can't stay mad at her for long
Why should I wanna cry?
When I can hold her tight
I just don't care who's right or wrong

(Instrumental)

I see those big brown eyes
And then I realise
That girl is gonna get her way

When my little girl is smiling
It's the greatest thrill there can be
She gets her way it's true
But I know I won't be blue
As long as she just smiles for me

For me
