Femmes in velvet
Femmes in velvet
Femmes in velvet

And violet wristlets
And violet wristlets
And violet wristlets

Tie their bonnets
Tie their bonnets
Tie their bonnets

Cleanse the palette
Cleanse the palette
Cleanse the palette

Tip it tease it
Singlet sextet
Fix the trinkets

Poets plummet
Past the junket
Scribble couplets

Set your targets
Fire your gadgets
All you poets

Set your targets
Fire your gadgets
All you poets
