Luanne, Luanne, Luanne
Washin' your feet, washin' them off
Luanne, Luanne, Luanne
Washin' your feet, washin' them off

But I need no money, I need no one to understand
But I need your love
And I said go easy
Yeah you go easy little doves, I'll be fine

Luanne, Luanne, Luanne
Washin' your hair, wash it away
Luanne, Luanne, Luanne
Washin' your hair, wash it away

But I need no money, I need no one to understand
But I need your love
And I said go easy
Yeah you go easy little doves, I'll be fine
