Nobody believes me when I tell them that you're out of
your mind.

Nobody believes me when I tell them that there's so
much you hide.

You treat me like a queen when we go out,
Wanna show everyone what our love's about.
All wrapped up in me whenever there is a crowd,
But when no ones around;

There's no kindness in your eyes,
He way you look at me, it's just not right.
I can tell what's going on this time,
There's a stranger in my life.
You're not the person that I once knew.
Are you scared to let them know it's you?
If they could only see you like I do,
Then they would see a stranger too...

Did I ever do anything that was this cruel to you?
Did I ever make you wonder who was standing in the
room?
You made yourself look perfect in everyway,
So when this goes down, I'm the one that will be
blamed.
Your plan is working so you can just walk away,
Baby your secret's safe.

There's no kindness in your eyes,
He way you look at me, it's just not right.
I can tell what's going on this time,
There's a stranger in my life.
You're not the person that I once knew.
Are you scared to let them know it's you?
If they could only see you like I do,
Then they would see a stranger too...

Such a long way back, from this place we arrived.
When I think of all the time I've wasted, I could cry...

There's no kindness in your eyes,
He way you look at me, it's just not right.
I can tell what's going on this time,

There's a stranger in my life.
You're not the person that I once knew.
Are you scared to let them know it's you?
If they could only see you like I do,
Then they would see a stranger too...

There's no kindness in your eyes,
The way you look at me, it's just not right.
I can tell what's going on this time,
There's a stranger in my life.
You're not the person I once knew.
Are you scared to let them know it's you?
If they could only see you like I do,
Then they would see a stranger too...
