It's just your mind over matter
Once you get some more control
It's just some lights on the TV
There's a vision in some gold

You're tuned to the visionary
Life's long when you have it all
Your heart beats for a missionary
When the summer's long

It's been coming for a long time
And some heads are gonna roll
So who's your daddy?
It's got a vision and some gold

You're tuned to the visionary
Life's long when you have it all
Your heart beats for a missionary
When the summer's long

Life is long when you have it all
(Visionary)
Your heart beats for a missionary

You're tuned to the visionary
Life's long when you have it all
Your heart beats for a missionary
When the summer's long
