I always wanted to be a part of something  
Eternally

And I was searching for you and now I know  
You were searching too

Then I met you, your arms were open wide

I've been alive on this big blue planet  
But now I'm living for the first time in my life

Your love is something new every day  
I'm in love with you

And I'm connected to the universe  
And God it's you

Lord I waited for so long for you to answer  
Now I see where I was wrong  
For you are the answer  
You are the way and the truth and the life
