Dark is the colour of condemnation  
The colour of Jesus' skin  
The moment of indiscretion  
Dark is the mood it puts you in  
Dark is the colour of my thoughts within  
When I say they're white  
The colour of my lies  
Dark describes my heart  
Whoah...  
Dark is the colour of unforgiven  
The breath behind a sin  
The moment of your corruption  
as darkness pulls you in  
Dark is the absence of love and friendship  
The place to hide your eyes  
The place to hide in ambush  
In the darkness scream surprise  
Whoah...  
No Dark No Light  
Do you know the dark? Do you know the light?  
Dark is the colour of all religion  
That has no root in love  
Dark is the colour of criticism  
Dark the blood it cuts from the heart  
The feeling of unforgiven  
The moment of criticism  
The colour of man's religion
