"Into Your Arms"

I don't know my name apart from you
Away from you my first love
I can't find my way without you close
Without you near to me
All the universe it calls your name
And speaks of you my God

And so I run (into your arms)
For you are love (so hold me)

All I can do is run into your arms of love
Well I tried to be apart from you
Away from you my first love
And I lost my way without you close
Without you near to me
All the universe without your name
Is so alone my God
