Oh, love or let me be lonely
Part time love I could find any day
So don't defy Mother Nature's ways
Make it the love, the love
That's here to stay

I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom

I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom, oh, yeah

(Love, love) or let me be lonely
(Love) you better love or let me be
(Love, love) or let me be lonely

Oh, you will or either you won't, baby
It's up to you, I've had my say
So truly love, do love me completely
Hey, come on, come on, come on my way

Well, I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom

I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom

(Love, love) or let me be lonely
(Love) you better love me or let me be

(Love, love) or let me be lonely (love)

I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom

I could live without love
If I wanted to in this lonely room
But I don't want to
So I leave it up to you
To wash away my gloom

I could live
I could live without your love
But I don't want to
So I leave it up to you
To wash away my gloom

Hey, whatcha gonna do
I could live without love
If I wanted to
But it's up to you

But I don't want to
So I leave it up to you
To wash away my gloom

Well, I could live without love
If I wanted to in this lonely room
