"My Confession/Your Grace"

I confess my self absorption
I confess my stubborn pride
I confess that when I fail you
All I want to do is hide
I confess my independence
I confess my double mind
I confess my love of darkness
When the day gives way to night
Please forgive me
Please forgive me
Could your grace be over me?
I confess my lack of mercy
I confess my life of fear
I confess walls and fences
Inconsistent insincere
I confess my love of judgement
I confess my lying tongue
I confess I take for granted
All the loving things you've done
Please forgive me
Please forgive me
Oh your grace is over me?
