"Save My Soul"

Im trying to find my place in this great big world
Well, Im trying to find some grace and some loving
arms
Well, I looked inside my heart and I found a vacant lot
Can you tell me where to go when this love runs out?

'Cause I'm digging in the dirt trying to fill this hole
Put my spirit on a billboard saying
Save my soul

You got to save my soul
Tell me where do I turn
And what do I know?
And who will save my soul?

Gurus on the chat show saying "here is life"
Movie stars and heroes say "I found myself"
But we got to find each other before our time runs out
Well I read the daily news and another war broke out

I'm scratching on the wall like an angry mole
Sent my letter to the paper saying
Save my soul
