She's got your eyes
She's got my nose
Oh, I get high just watching her grow
I always dreamed we'd live in a castle, oh but
We're in the same old shack
Sometimes we get into a hassle
But we always take each other back
Oh, you know
All our friends seem to be in a hurry
But we'll just keep on taking our time

We're living such a sweet life, oh what a neat life
Sharing my love with you
Oh, we're living such a sweet life, oh what a neat life
making our dreams come true
we're makin our dreams come ture

You are my love
You are my life
Oh, and I get high just holding you tight
we always dreamed we'd make a lot of money, oh but
I don't mind being poor
'Cause when you make love to me, honey
I couldn't ask for anymore
Oh, you know, all our friends seem to be in a hurry
But darlin' we'll just keep on taking our time

We're living such a sweet life, oh what a neat life
Sharing my love with you
We're living such a sweet life, oh what a neat life
Making our dreams come true
We're making our dreams come true

Oh, oh
We're living such a sweet life, oh what a neat life
Sharing my love with you
We're living such a sweet life, oh what a neat life
Making our dreams come true
We're making our dreams come true.
