Here we are broken in two
Here we stand, all our hope in you
God of all the universe
You sent us one who healed us
Where we hurt

And in the gathering you flow your
Peace and love

To make us one people
One holy song
Make us one people under the sun

Unity we're praying for
Some stand for peace but live a family war
So reconcile with God and man
Women, child our creator's plan

And in the gathering the holy work is done

Sweet communion, unconditional
This reunion, forgiveness made us whole
Real connection, harmony and home
This restoration, you reunite the souls

And in the gathering the healing has begun
