I love money I love instant cooking
I love choices I love high rise buildings
I love fast cars I love intersections
I love zoos and designated spaces
I love TV I love advertising
Coca Cola and I love crowded places
I love progress and chasing material objets
I love sharing when I'm in the seat of
power.....ooooowayoh
I love it I love it..
I hate money I hate instant cooking
I hate choices I hate high rise buildings
I hate fast cars I hate intersections
I hate zoos and designated spaces
I hate TV I hate advertising
Coca Cola and I sure hate crowded places
I hate progress and chasing material objets
I hate sharing when You're in the seat of
power.....ooooowayoh
