I've been a tough man, I've been a hard man
I've been a man who's been willing to start a
Fight or three
I've been a harsh man and
I've been a "get things done" man
And I've seen a lot of things man
But now all I want is

I want to be your man

I've been a young man and I've been a foolish man
I've been a proud man
And worse than that I've been proud I am
I've been a loved man and I've been a wanted man
I've been a broken man but now all I want is

I want to be wise as a serpent
Gentle as a dove
I want to be quick to listen
And slow to speak above

So now I'm giving to you everything I am
I give you all that's in my hands
I lay my body down
And I'm giving you my heart
'Cause
