One life, we've got

No point, if you don't take a shot

And give it all you got

Two times, twice shy

(I was) dead wrong

and now I realize

I am right where I belong, cause

chorus

Change is coming, change is coming,

change is coming

Verse II

You know, what you need

It all comes, right down to your beliefs

Do you believe in yourself...cause

chorus

Change is coming, change is coming,

change is coming
