Which door do I choose

The one that is red

Or the one that is green

Which path do I take

The one from the past

Or the one yet unseen

What color is the road up ahead

If you're blind with regret

Or you can't seem to get

What you'll see is the meaning of me

When I get my way

Chorus

Living with the Dogs of Morrison

The Dogs of Morrison

The Dogs of Morrison

The Dogs of.....

Verse II

Which bed do I choose

The one where I've bled

Or the one that is blue

There's only one choice

When all that you've said
Is so far from the truth
Life's always a matter of time
It's ticking away and one day it's gone
I don't care if you don't understand
Cause in the end
I'm living with the Dogs of Morrison
The Dogs of Morrison
Bridge
I see a light that's from down below
It's not the color that is in my soul
I'm gonna reach out
To the stars, up high above
