Sometimes, I got this feeling inside

I gotta have it all

I've tried, to keep it steady and slow

But I had a make this call

It's late, probably a quarter to three

I'm all wound up again

Your not home, feels like I'm gonna explode

This game has gotta end

You need it...

I want it...

You know it's time you lose control

Chorus

I can't take, I can't take it anymore

I wanna make, I wanna make you scream for more

Verse II

Hot sweat, running down your face

Now watcha gonna do?

In my net, I think you're getting caught

You gotta make your move

You want it...

I need it ...

It's time we both lost control

Chorus

Bridge

I wanna take you, I wanna take you home

I wanna hear you, I wanna hear you moan
